

IFFR 2005 Centennial Fly-Away Registration Form (2 pages)

The 2005 Fly-Away presents a unique opportunity to follow the 100th RI Convention with a tour of the Northeast US.

We expect a record turnout – but will limit participation to 50 aircraft.

The logistical/financial breakdown/arrangements are broken into three categories:

- 1: The registration fee PER PERSON includes bus transportation for GROUP functions, normal commemorative items, a navigation kit and GROUP events, banquets etc. (includes “*” items on page 2/C4)
- 2: Under each destination below, ‘organized’ options are listed with prices. (page 2)
- 3: Hotel reservations and costs, individual entertainment, non-group meals, rental aircraft, etc. are the responsibility of each participant. Telephone numbers are provided for reservations. (Reserve Soon!)

A limited number of Rotary Home-Stays may be available at some locations. (first-come-first-serve)
