

International Fellowship of Flying Rotarians

SW Section Chair, PDG Vicki Puliz

April 2, 2017

Spring is here, and we have at least TWO and likely THREE great fly in opportunities for you in April in the Southwest Section: April 22 to Madera (MAE) for a Pancake Breakfast and April 28-29 to Camarillo (CMA) for the AOPA Fly-In, and another one in the planning stages for April 21 in the Watsonville area to help welcome the newly joined Rotaractors from District 5170 to IFFR.

Details below and at www.ifframericas.org.

Saturday, April 22 at the Madera Airport (MAE) is a Pancake Breakfast hosted by the Madera Sunrise Rotary Club from 8 a.m. to 11 a.m.

See attachment for information or you can call 559-269-4511 for details.

IFFR Member Michael Fish plans to attend and would love to connect with any other IFFR members there. You can reach Michael at 415-517-8460.

AOPA Fly-In to Camarillo (CMA) that starts on **Friday, April 28 and concludes Saturday, April 29.**

At this time, IFFR has dinner reservations at Ottavio's near the airport at 7 p.m. on Friday evening. Several of us are staying on Saturday night and we can plan another gathering if you plan to stay after the fly-in.

We will also designate a meeting spot and time at the event so we can connect there, as well.

The article from AOPA magazine attached shares fun things to do if you have extra time in the Camarillo area, like visiting the Reagan Presidential Library.

If you are attending....

Please let me know:
